## I Have Read The Office, Financial HIPAA and Insurance Policies:

Nobody likes to discuss finances, but it's an important part of all of our lives! It's important to discuss finances at the onset so that misunderstandings do not occur in the future.

I have read and understand the financial, insurance, office and HIPAA policies of Grayhills and Mohip Dental of Wellington. I understand that no treatment shall be undertaken without a diagnosis and treatment plan and a frank discussion of options. I understand that the staff and doctors of Grayhills and Mohip Dental will not begin any dental treatment which I have not authorized.
